Good Morning Dawn!

At the request of Ted Semaan, I am sending you a copy of your permit, CON06-00124, for the work done in the City of Torrance.

Any questions, please give us a call.

Thank you!

Christee Scottini

- 1) FOR INSPECTIONS 24 hour notice is required, before, during, and after construction. Call (310) 618-5898 7:30-5:30 to SCHEDULE an INSPECTION.
- 2) Provide TRAFFIC CONTROL per the "City of Torrance CONSTRUCTION TRAFFIC CONTROL PROCEDURES". No street may be closed without the Community Development Director's approval and 48 hr prior notice to the City of Torrance Fire, Police and Street departments. Major street lane closures between 8:30am-3:30pm only. ONE STANDARD ARROW BOARD REQUIRED FOR EACH LANE CLOSURE.
- 3) Permit is not valid until two working days after notifying DIG ALERT of project. Date called: _____
- 4) Do not remove any trees or shrubs without approval of Torrance tree supervisor (310 781-6900).
- 5) Contractor will be billed for overtime inspection services. OVERTIME REQUESTS must be submitted for approval 24 hrs in advance.
- 6) Construction site CLEANUP and GRAFFITI removal must be completed prior to finaling of this permit. The work site shall be kept in a well maintained condition. Signage shall be free of graffiti, replaced if bent, vandalized or displays loss of reflectivity. Any graffiti on construction signs must be removed or replaced within 24 hrs of notification.
- 7) Any street striping, crosswalk, raised reflective pavement marker or pavement markings damaged by this construction shall be replaced to the satisfaction of the Torrance Street Department (310 781-6900).
- 8) This PERMIT will be REVOKED if any pollutant is released into or allowed to remain in any component of the city drainage system.
- 9) Trenches for utility lines shall be BACKFILLED to 1" below existing pavement thickness with one sack CONCRETE SLURRY.
- 10) Any irrigation system components damaged by this construction shall be replaced to the satisfaction of Park Services (618-2930).
- 11) All survey monuments in the project area MUST be located & tied out and a Corner Record filed prior to the start of construction. Also, all destroyed monuments must be replaced prior to receiving final inspection.
- 12) It is the responsibility of the contractor to REPLACE any PAVEMENT removed by this construction.
- 13) The City of Torrance is held harmless from the results of any action or accidents caused by the permittee, his employees, or equipment in the performance of the work described or covered in this permit. Validation of this permit SHALL NOT be held to permit or to be an approval of the violation of any applicable provision of the City Code covering this work, or any other provisions of the City of Torrance Code. In the granting of a Construction & Excavation permit, the Engineering Director may impose such conditions thereon, in addition to those otherwise provided herein, as are reasonably necessary to prevent the proposed operations from being conducted in such a manner as to constitute or create a HAZARD TO LIFE or property or be materially detrimental to property.
